Re: Sunchild First Nation Members  
Covid-19 Pandemic Supply Preparedness

Community Members,

We want to ensure that our community and its members are safe and prepared. We are taking precautions and the necessary steps to ensure the safety of our nation and its members. We are working and collaborating with Alberta Health Services, nurses, and physicians in providing updates, awareness and education in regards to this concern.

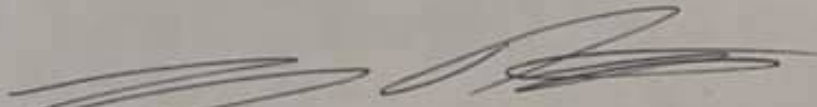

In response to the current situation of Covid-19, Sunchild First Nation Leadership met on March 15, 2020, in regards to preparedness for each of the households, clients on social assistance, and elders in the community. It was decided that each of the residences within the community, and its elders will receive a monetary supplement, to assist in the purchasing of adequate necessary supplies, and s.a. clients to receive purchase orders, in case of a direct effect of the current Covid-19 pandemic.

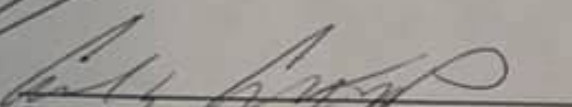

Our main priority is to protect and minimize the spread of this virus into our community, this is why we are taking these precautionary measures. The safety and concerns of our off-community members, is also our concern, and we will address this in due time, when funding sources are put into place. We have also activated a team that is preparing emergency preparedness response kits to be distributed when available.

In addition, we are asking our members to do their part in assisting us, in taking precautionary steps to ensure you and your families safety. We have attached necessary important information in regards to the current situation, also contact information. We will be closely monitoring updates, as they become available.

Respectfully,  
Sunchild First Nation  
Leadership

  
Chief- Jonathan Frencheater

  
Council Member- Joey Pete

  
Council Member- Audrey Crookedlegs

  
Council Member- Clint McHugh

  
Council Member- James Frencheater

  
Council Member- Adriel Bigchild
