Off Reserve Band Membership Registry and Assistant/Relief

March 24, 2020
Tansi Members

We want to reach out to our off-reserve membership and tell you that you are not forgotten and thank you for your patience during this critical time of COVID-19 pandemic. Our Emergency Management Committee and Leadership need to carefully plan and allocate resources within our Nation and out of the Nation. We need our off-reserve members to register with 1-833-Kehewin and let us know how many households are out there to assist. This service/assistance is not to replace your regular grocery shopping but intended to provide short term assistance within your household needed essentials. There will be one relief per family household and you will be required to submit documents to communications@kehewin.ca. It must include 2 of the following documents, in your name:

1. Rental Agreement
2. Utility Bill
3. Photo Identification with off reserve address

You may either scan or take picture with your cell and send to: communications@kehewin.ca

For more information please call 1-833-Kehewin

Remember only one assistance relief per household of \$150.00 and we will continue to keep you updated for further relief that may become available.
