CONFEDERACY OF TREATY SIX FIRST NATIONS ANNOUNCES NEW EXECUTIVE DIRECTOR

(Treaty No. 6 Territory) The Confederacy of Treaty Six First Nations is excited to announce the selection of Glinis Buffalo from Samson Cree Nation as the new Executive Director for the organization. After interviews were completed from a select group of qualified applicants, the Confederacy Chiefs motioned to offer the position to Ms. Buffalo.

Glinis comes in to replace Cameron Alexis, who has held the position of Interim Executive Director on two occasions over the last year to assist the Chiefs in moving the organization forward.

Ms. Buffalo has previously worked with Treaty 8 First Nations of Alberta, the Government of Alberta and is a graduate of the University of Lethbridge. We trust that with her experience, education, and the strong, qualified team currently in place that she will produce positive results.

Please join us in welcoming Glinis Buffalo to the organization!
